## Capsule pressure gauge, rear centric, G 1/4, 0 - 160 mbar, Ø 63

Kategorija: [Capsule-type pressure gauge, Housing steel, black, connection on rear, central](#)  
Šifra: **199304RIE**

### Kratek opis

Capsule pressure gauge, Housing steel, black, Connection, rear, centric, G1/4, Goods class 1.6, Measurement range 0 - 160 mbar, Ø63  
With zero correction.

### Tehnične Specifikacije

|                                             |                                       |
|---------------------------------------------|---------------------------------------|
| Min. sobna temperatura [°C]                 | -20                                   |
| Aplikacije                                  | For gaseous, dry, non-corrosive media |
| Material Prozessanschluss                   | Brass                                 |
| Merilni element                             | Copper alloy                          |
| Ohišje                                      | Steel, black                          |
| Položaj povezave                            | rear, central                         |
| Povezava                                    | G 1/4                                 |
| Prednje steklo                              | Plastic, clipped in                   |
| Premikanje                                  | Brass                                 |
| Spodnja/Zgornja meja območja                | Positive pressure                     |
| Razred točnosti                             | 1.6                                   |
| Stopnja rasti na območju skale - bar [mbar] | 5                                     |
| Max. sobna temperatura [°C]                 | 60                                    |
| Max. temperatura medija [°C]                | 60                                    |
| Premier [mm]                                | 63                                    |
| Merilno območje max. mbar                   | 160                                   |
