## Kont. ventil, DN 15, med., mehko tesnenje, G 1/2, PN max. 16 bar

Kategorija: [Check valves soft sealed - brass](#)

Šifra: **158081RIE**

### Kratek opis

Check valve, DN 15, Brass, Soft sealed, Operating temperature 0 °C to 90 °C, G 1/2, PN max. 16 bar  
Applications: Water (no steam), neutral and non-corrosive liquid media, mineral oils.  
Only suitable for liquid media. Flap valve closes by gravity, therefore only possible to be installed horizontally!

### Tehnične Specifikacije

|                               |                                   |
|-------------------------------|-----------------------------------|
| Navoj                         | G 1/2                             |
| Ohišje                        | Brass                             |
| Standardni navoj              | G-thread acc. to DIN EN ISO 228-1 |
| Tesnilo                       | NBR                               |
| Ventilski disk                | Brass                             |
| DN                            | 15                                |
