## krogelni ventil nerjavno jeklo, 1-delno, zožan prehod, G 1 1/2

Kategorija: [Ball valves 1-piece](#)

Šifra: **103429RIE**

### Kratek opis

Stainless steel ball valve 1.4401/1.4408, 1-piece, Reduced passage, Operating temp. -20°C to 150°C, G 1 1/2, DN 40, PN max. 63 bar

### Tehnične Specifikacije

|                               |                                              |
|-------------------------------|----------------------------------------------|
| Min. delovna temperatura [°C] | -20                                          |
| Delovni tlak                  | max. 63 bar (dependent on temperature)       |
| Krogelno tesnilo              | RPTFE (15 % glass fibre reinforced)          |
| Krogla                        | Stainless steel 1.4401                       |
| Navoj                         | G 1 1/2                                      |
| Ohišje                        | Stainless steel 1.4401/1.4408                |
| Ročica                        | Stainless steel 1.4301, with plastic coating |
| Standardni navoj              | G thread acc. to DIN EN ISO 228-1            |
| Stebelno tesnilo              | PTFE                                         |
| DN                            | 40                                           |
| B [mm]                        | 80.0                                         |
| L [mm]                        | 87.0                                         |
| A [mm]                        | 150.0                                        |
| Max. delovna temperatura [°C] | 150                                          |
