## Ravni vijačni prik. M, NPT 3/8 zun. premer Ø10, galvan.jeklo

Kategorija: [Male connector, male thread NPT, heavy type](#)

Šifra: **159665RIE**

### Kratek opis

Straight screw-in fitting, NPT 3/8 o., Pipe exterior Ø 10 mm,  
PN max. 630 bar, A/F1 22, A/F2 19, galvanised steel, NPT  
thread

Male connector, male thread NPT, heavy type

### Tehnične Specifikacije

|               |                             |
|---------------|-----------------------------|
| Material      | Galvanised steel (DIN 2353) |
| Navoj         | NPT 3/8                     |
| O.D. cev [mm] | 10                          |
| L2 [mm]       | 15.0                        |
| a/f 2 [mm]    | 19                          |
| a/f 1 [mm]    | 22                          |
| L1 [mm]       | 46.0                        |
| PN [bar]      | 630                         |
