## Standardni manometer »tlačna linija« G 1/4, -1/0 bar/-14.5 psi

Kategorija: [Standard pressure gauge, conn. radial on bottom](#)

Šifra: **114734RIE**

### Kratek opis

Standard press. gauge »pressure line« Connection radial bottom, G 1/4, Goods class 2.5, Measurement range -1/0 bar/-14.5 psi, Ø50

Low-priced series of standard pressure gauges available in all popular diameters with the most frequently requested measuring ranges.

Suitable for gaseous or liquid media which do not corrode copper alloy, do not have high viscosity and do not crystallise.

### Tehnične Specifikacije

|                                            |                             |
|--------------------------------------------|-----------------------------|
| Min. sobna temperatura [°C]                | -20                         |
| Min. temperatura medija [°C]               | -20                         |
| Merilno območje min. bar                   | -1                          |
| Material Prozessanschluss                  | Copper alloy                |
| Merilni element                            | Copper alloy                |
| Ohišje                                     | Plastic                     |
| Položaj povezave                           | radial on bottom            |
| Povezava                                   | G 1/4                       |
| Prednje steklo                             | Plastic                     |
| Premikanje                                 | Copper alloy                |
| Različica                                  | Bourdon-tube pressure gauge |
| Spodnja/Zgornja meja območja               | Vacuum                      |
| Stopnja rasti na območju skale - bar [bar] | 0.05                        |
| Razred točnosti                            | 2.5                         |
| Premier [mm]                               | 50                          |
| Max. sobna temperatura [°C]                | 60                          |
| Max. temperatura medija [°C]               | 60                          |
