## Standardni manometer »tlačna linija« G 1/8, 0 - 10 bar/145 psi

Kategorija: [Standard pressure gauge, connection on rear](#)

Šifra: **115023RIE**

### Kratek opis

Standard pressure gauge »pressure line« Connection, rear, centric, G 1/8, Goods class 2.5, Measurement range 0-10 bar/145 psi, Ø40

Low-priced series of standard pressure gauges available in all popular diameters with the most frequently requested measuring ranges.

Suitable for gaseous or liquid media which do not corrode copper alloy, do not have high viscosity and do not crystallise.

### Tehnične Specifikacije

|                                            |                             |
|--------------------------------------------|-----------------------------|
| Min. sobna temperatura [°C]                | -20                         |
| Min. temperatura medija [°C]               | -20                         |
| Material Prozessanschluss                  | Copper alloy                |
| Merilni element                            | Copper alloy                |
| Ohišje                                     | Plastic                     |
| Položaj povezave                           | rear, central               |
| Povezava                                   | G 1/8                       |
| Prednje steklo                             | Plastic                     |
| Premikanje                                 | Copper alloy                |
| Različica                                  | Bourdon-tube pressure gauge |
| Spodnja/Zgornja meja območja               | Positive pressure           |
| Stopnja rasti na območju skale - bar [bar] | 0.5                         |
| Razred točnosti                            | 2.5                         |
| Merilno območje max. bar                   | 10                          |
| Premier [mm]                               | 40                          |
| Max. sobna temperatura [°C]                | 60                          |
| Max. temperatura medija [°C]               | 60                          |
