## T-kos 133, N.N./Z.N./N.N.Rp 3/8,č. kovanlit. ž.

Kategorija: [Tee 133, female/male/female](#)

Šifra: **112998RIE**

### Kratek opis

T-piece 133, IT/ET/IT, Rp 3/8, Operating temp. -20°C to 300°C, black malleable cast iron, Hot-dip galvanised "

Acc. to DIN EN 10242 (formerly DIN 2950)

The classic - and the most popular - screw fitting series for pipe construction.

These fittings are characterized by their high mechanical strength and surface quality to DIN 2444.

They are completely coated with a layer of pure zinc and are therefore suitable for drinking water

### Tehnične Specifikacije

|                                |                                                     |
|--------------------------------|-----------------------------------------------------|
| Min. temperaturno območje [°C] | -20                                                 |
| Material                       | Black malleable iron<br>B350-10, design<br>symbol A |
| Navoj                          | Rp 3/8                                              |
| Površina                       | Hot dip galvanised                                  |
| Standardni navoj               | acc. ISO 7-1                                        |
