## Vtični-L fitting Metallice vrt., R 1/2, cev Ø 14

Kategorija: [Male elbow, swivel type, conical ET, coated](#)

Šifra: **137011RIE**

### Kratek opis

Push-in L-fitting »metallica«, rotating, R 1/2 o., for hose exterior Ø 14, Working pressure -0.98 to 16 bar, nickel-plated brass

All parts with a parallel thread are supplied with an FPM O-ring while the conical threads are coated with preCOTE 5 dispersion

### Tehnične Specifikacije

|                               |                                                      |
|-------------------------------|------------------------------------------------------|
| Min. delovna temperatura [°C] | -20                                                  |
| Min. delovni tlak [bar]       | -0.98                                                |
| Material                      | Nickel-plated brass                                  |
| Navoj                         | R 1/2                                                |
| Priporočena cev               | PA and PU                                            |
| Rokav                         | Nickel-plated brass                                  |
| Serijska                      | metallica                                            |
| Vpenjalni obroč               | Male elbow, swivel type, conical male thread, coated |
| Za cevi O.D. [mm]             | 14                                                   |
| Max. delovni tlak [bar]       | 16                                                   |
| a/f [mm]                      | 22                                                   |
| L1 [mm]                       | 32.0                                                 |
| L2 [mm]                       | 35.5                                                 |
| Max. delovna temperatura [°C] | 150                                                  |
