Zaporni ventili manometrov, pipa - vpenjalni tulec, G 1/2

Kategorija: [Pressure gauge stopcock, male - female/female](#)

Šifra: **102657RIE**

Kratek opis

Block valve pressure gauge, Taps - tension sleeve, bright brass housing, steel tension sleeve, G 1/2, PN 25 bar, AF 27, max. 50 °C

It is useful to install a stopcock as a shut-off element between the pressure gauge and the pipe.

When the lever is set to the »blow out« position, the medium is discharged into the atmosphere.

Stopcocks with a test port allow pressure gauges to be simultaneously connected to the pipe.

Tehnične Specifikacije

Aplikacije

For all pressure gauges with a flat gasket acc. to DIN 16258

Konektor z notranjim/zunanjim navojem
Navoj

Phosphatised steel

Ohišje

G 1/2

Različica
Ročica

Brass with a bare metal surface

Standard
PN [bar]
